Welcome to the **BA (hons) Illustration Course**

My name is Joanna Spicer and I will be your Year Tutor for your first year. I will be your key point of contact for the programme during this year of study.

Your Induction week starts on Monday 20th September 2021 and will begin at 10am online through Microsoft Teams. There is no need for you to be on campus on this day but activities for the remainder of the week will be on campus in the Art & Design studios and workshops at the Llandaff campus.

What's next

You can expect to receive an email shortly with an invitation to join your course through Microsoft Teams for the meeting at 10am on Monday 20th September.

You will also receive an email from your assigned personal tutor. They will be your point of contact for any personal, pastoral or wellbeing issues you may experience as well as for general guidance and advice on university life.

Your personal tutor meeting will take place through Microsoft Teams at 2pm on Monday 20th September and this will be a perfect opportunity to ask any questions and share concerns you may have as well as having a chance to meet other students sharing the same experience.

You can find the Joining pack for the course using this link:
https://www.cardiffmet.ac.uk/newstudents

Please also take some time to visit our 'what to know before you go' resource. This is full of tips, information, ideas and advice for both your university life and living in and around Cardiff: https://www.cardiffmetsu.co.uk/what_to_know_before_you_go/

Queries, Concerns, Questions

If you have any general queries you can contact me as your year tutor on this email address Jmspicer@cardiffmet.ac.uk

If you have any issues with IT please contact the IT Helpdesk: ithelpdesk@cardiffmet.ac.uk or if urgent you can contract the school reception by phone on +44 (0)29 2020 5898

We look forward to welcoming you in October.

Kindest Regards

JMspicer
