### **Do you require Temporary Accommodation?**

Cardiff Met has made temporary accommodation arrangements for students who will be looking for privately rented accommodation when they arrive in Cardiff during the airport welcome service. The rooms that have been reserved are limited, therefore it is essential that you return your temporary accommodation booking form and arrival details as early as possible as these rooms will be allocated on a 'first come-first serve' basis.

In order to accommodate all of our students, we will be offering two accommodation options.

Please select your preferred option below (although we will try to allocate you your preferred option, this is subject to availability).
