Our experience – Corpus Christi

Today, considering we haven't played many matches this year, we have shown that our team is united and strong. Playing against these teams has helped us to improve and develop our netball skills. We hope we get this opportunity again next year as it brings a good competitive side out of us. Our team has really enjoyed ourselves today because all the organisers and competitors are very nice and supportive. We would like to say a big thank you to all those who ran and competed in the Talybont netball tournament. We hope to see you again very soon.

Thank you from
