- Review on a regular basis course content and materials, updating when required.
- Develop and apply appropriate teaching techniques and material which create interest, understanding and enthusiasm amongst students.
- Ensure that course design and delivery comply with the quality standards and regulations of the university and department.

#### ***Research and scholarship***

- Lead research and/or innovation proposals and projects with the potential to generate income, to manage project deliverables, deliver outputs and secure impact.
- Work with university stakeholders to identify sources of research funding and lead the process of securing funds.
- Manage the delivery of individual and/or collaborative research projects to time and on budget.
- Apply knowledge acquired from research and innovation as well as scholarship to learning and teaching, and appropriate external activities. Lead the design and production of peer-reviewed publications and/or practitioner outputs, and/or disseminate research findings using other appropriate media.
- Make presentations at local, national and international academic and/or practitioner conferences or exhibit work in other appropriate events.

#### ***Communication***

- Disseminate conceptual and complex ideas to a wide variety of audience.

#### ***Liaison and networking***

- Lead and develop internal networks for example by chairing and participating in School and Institutional committee.
- Lead and develop external networks for example with external examiners and assessors.
- Develop links with external contacts such as other educational bodies, employers, and professional bodies to foster collaboration.

### ***Managing people***

- Provide academic leadership to those working within programme areas, by for example co-ordinating the work of others to ensure that courses are delivered effectively or organising the work of a team by agreeing objectives and work plans with reference to the Academic Handbook.
- Contributing to the development of teams and individuals.
- Act as a personal mentor to peers and colleagues.

### ***Teamwork***

- Lead teams within areas of responsibility.
- Help to ensure that teams within the department work together.
- Participate to help resolve conflicts within and between teams.

### ***Pastoral care***

- Responsible for dealing with referred issues for students within own educational programmes.
- Provide first line support for colleagues, referring them to sources of further help if required.

### ***Initiative, problem-solving and decision-making***

- Resolve problems affecting the delivery of courses within own educational programme and in accordance with regulations.
- Make decisions regarding the operational aspects of own educational programme.
- Contribute to decisions which have an impact on other related programmes.
- Provide advice on issues such as ensuring the adequate balance of student population, appointment and student and other performance matters.
- Spotting opportunities for strategic development of new courses or appropriate areas of activity and contributing to the development of such ideas.

### ***Planning and managing resources***

- Responsible for the delivery of own educational programmes.
- Contribute through the teams within which you are a member of to the overall management of the department in areas such as budget management and business planning.
- Be involved through various routes in departmental level strategic planning and contribute to the Institution's strategic planning processes.
- Plan and deliver research, consultancy or similar programmes within the constraints of resources available.
- Contribute to the management of quality, audit and other external assessments.

### ***Sensory, physical and emotional demands.***

- Balance the pressures of teaching, research and administrative demands and competing deadlines.

### ***Work environment***

- Depending on area of work (e.g. laboratories, workshops, studios) may be expected to take responsibility for conducting risk assessments and reducing hazards.

### ***Expertise***

- Required to be an externally recognised authority in the subject area.
- In-depth understanding of own specialism to enable the development of new knowledge and understanding both within the field, and through application.

### ***Standard Notification***

**These guidelines are provided to assist you in the performance of your contract. The university is a dynamic organisation; therefore changes may be required from time to time. Any changes will be made in consultation with the post-holder. The Summary of Duties and Responsibilities is not intended to be an exhaustive list of tasks performed. Other associated technical tasks are likely to be performed as directed by the line manager.**

**It is accepted that individual staff will have a specialist skills and knowledge base in relation to the role they have been appointed to. In addition to this, Cardiff Metropolitan University expects that all staff will contribute to the vision and ethos of the university and conduct themselves in a professional, courteous and student/customer focused manner at all times. All staff should have particular regard for their responsibilities under Cardiff Metropolitan University's Equalities, Financial, Environmental and Sustainability, Human Resources and Health and Safety policies and procedures.**
