You and your ceremony

The University holds on average ten summer ceremonies in July and two winter ceremonies in November. Each cohort of students have their own specific dates and times of ceremonies.

The date of your ceremony is determined by the award you achieve and the time of your exam board. The main graduation period is held in July of each year.

Students are not given the choice of which ceremony they wish to attend due to the high numbers of students graduating at each ceremony. However, If you are unable to attend your Graduation but have mitigating circumstances please contact us at **graduation@cardiffmet.ac.uk**.

Ceremony Dates and Times

All dates and times of ceremonies are published on our webpage as soon as we are able to do so. For summer ceremonies the details are usually published in the December the year prior to the event.

How will I know when my ceremony is?

Your Programme Director will advise you when your ceremony is. We will also send you an email, we advertise on Insite and the Student Union will publish the dates. These are just some methods we use to inform you when you can register your intention to attend. If you are in your awarding year, you do not have to wait to hear if you have passed, initially, we just need to know you are planning to attend.

"Booking my place at Graduation was really easy; I could update my details right up till the closing date"

Registering for Graduation

Important things you **MUST** do

All students must register their intention to attend their Graduation by the specific deadline dates for that ceremony. These dates will be shared in the email communication inviting students to register and will be accessible on the [Graduation webpage](#).

How to Register

1. www.cardiffmet.ac.uk/graduation.
2. When you log in, the date, time and venue of your ceremony will have been allocated to your record and will appear on the screen.
3. Do let us know if you or your guest/s has mobility problems or vertigo so we can ensure we have allocated you adequate seating for their needs.
4. If you have any problems with this please email: graduation@cardiffmet.ac.uk but do ensure you quote your student number or date of birth.
5. Finally, students must order a gown. You can get a full refund up to 10 days before the ceremony commences.

Graduation Ceremony Checklist

- ❑ Register to attend: All students must register their intention to attend their ceremony by the deadline specified in the invite. To do this complete the registration form on your student portal.
- ❑ Guest tickets: (if required)
The University guarantees all students two free guest tickets. If you or any of your guests are disabled or need specific seating for health reasons then you can put this on the registration form.
- ❑ Extra tickets: Students can book additional free guest tickets (subject to availability) via a Wales Millennium Centre account link, which will be sent at least a week before the ceremony.
- ❑ Date and time of your ceremony: The date and time is available on your [registration page](#).
- ❑ Academic Dress: All gowns can be hired from Ede & Ravenscroft at www.gownhire.co.uk at least 21 days before the ceremony.

How can I get more tickets?

If we cannot give you as many tickets as you requested, your additional guests could still come with you and watch the ceremony on the tv screens that will be around the venue and celebrate your special day with you.

I do not want to attend

If you do not register, we will assume that you do not wish to attend Graduation. Your award will be conferred in your absence.

How do I get a letter so that I can apply for the visa for my guests to attend Graduation?

It is important to complete your registration when invited, registration enables you to book tickets and you can arrange the information you need for your visa.

“Making plans with my family to come to Graduation was really important as they have supported me through so much...”

When do I get my tickets?

We need to wait for all final exam boards to have met for your specific school. If you have successfully passed your programme of study and registered your intention to attend graduation, then tickets will be allocated to you and sent at least a week before your ceremony.

How do I get my tickets?

E-tickets and order confirmation will be sent to your Cardiff Met email address or your personal email address by Wales Millennium Centre. You can add them to Apple Wallet or Google Wallet if you prefer.

Student tickets will be located in the Lower or Mid Stalls. Guests will be seated separately from students. You will also receive a second email containing a personal link to login to your account with Wales Millennium Centre. Once you have logged in you can view and share your e-tickets in My Account, and book any extra guest tickets available.

If you resend your tickets only the latest set will be valid. Please make sure your guest(s) know this as well.

The account will be deleted by Wales Millennium Centre after your graduation.

Problem Solving

If your tickets do not arrive or are lost, then you can go to the WMC website, enter your email address, click 'forgotten password' and create a password for your account.

You will be able to log into your account to re-send the ticket(s). If you need to resend your tickets do make sure your guest(s) know they must use the latest version sent.
