Interview Details

Foundation leading to:

- BSc (Hons) Healthcare Science
- BSc (Hons) Human Nutrition and Dietetics
- BSc (Hons) Podiatry

Thank you for your application to study at Cardiff Metropolitan University. As you have expressed an interest in one of the above programmes, we would like to invite you to attend an interview.

The time specified on UCAS is a generic time for the start of the interview day. You will allocated a specific time for your interview within your MS Teams invitation.

If you are able to attend the date given, please confirm via www.ucas.com/track as soon as possible. If you are unable to attend and would like to request an alternative date, please email newstudent_interviews@cardiffmet.ac.uk. Alternatively, you can contact Admissions directly on 029 2041 6010. Unfortunately we are unable to consider applicants who are unable to attend the interview. It is most important that you respond as soon as possible to avoid unnecessary delay in the processing of your application through UCAS.

If you would like your interview through the medium of Welsh please inform us in advance so the necessary arrangements can be made.

Any particular learning or access needs should be clearly indicated in advance so that the necessary arrangements can be made.

You will need to refer to the Specific Interview Information below for further information on what will be expected of you on the day.

We look forward to meeting you.

Lisa Bowen
Head of Admissions

Specific Interview Information

Foundation leading to BSc (Hons) Healthcare Science

You will need to provide a form of photo identification.

The structured interview is designed to assess your values as a potential future NHS employee. The interview will last 10-15 minutes and will be undertaken by a member of the lecturing team and a practicing Biomedical Scientist/Healthcare Scientist who is involved in student training. We are looking for candidates with a genuine interest and commitment to the profession.

Foundation leading to BSc (Hons) Human Nutrition and Dietetics

You will need to provide a form of photo identification.

The structured interview via Microsoft Teams is designed to assess your values as a potential future NHS employee. The interview will last 10-15 minutes and will be undertaken by a member of the lecturing team and a practicing Dietitian who is involved in student training.

We are looking for candidates with;

- Very good communication skills
- Detailed understanding of the role of NHS Dietitians
- A genuine interest and commitment to the profession
- Understanding of the core principles of NHS Wales.

Foundation leading to BSc (Hons) Podiatry

You will need to provide an approved form of photo identification.

The structured interview will last around 15 minutes and is designed to assess your suitability for a career as a registered Podiatrist and that your own values and behaviours are compatible with NHS employment. We are looking for candidates with an understanding of the role of the modern registered Podiatrist and a genuine interest and commitment to the profession, the public and the NHS. The interview will be undertaken by members of the Podiatry academic teaching team and NHS-practicing registered Podiatrists who are involved in student training.
