Congratulations, you have been selected to attend an interview in relation to your application to study our **BA (Hons) Primary Education with QTS** course. Your date of interview will be sent to you via email and will also be on UCAS Hub for you.

About your Interview

Your interview will last approximately 30 minutes and will be conducted via MS Teams. You will receive a separate Teams Meeting request via email from the Programme Team before your allocated date, with your specific time for interview.

To prepare for the interview, please research the [Curriculum for Wales](#) and gather a clear idea of your desires and ambitions with regards to becoming a teacher.

The Skills Tests that are usually undertaken as part of your interview day, will now be undertaken during your course as an audit of where you may need additional support. These tests no longer form a part of your selection criteria however, you will still be expected to undertake independent study, as a student on this course, to address any/ all personal areas for development. More information will be provided to students once they commence studies.

Special requirements

Should you have any additional requirements, please inform us immediately and provide evidence to Admissions prior to your interview date. You will need to outline your particular needs and any reasonable adjustments that may need to be put in place so that, if appropriate, suitable arrangements can be made.
