

September 2020

Dear student

As Programme Director of Primary Education Studies I would like to welcome you to Cardiff Metropolitan University and the School of Education and Social Policy. The purpose of this letter is to give you a bit more information about the course you will be starting this year.

Induction Week will start on Monday 28th September and we have put together a series of activities to help you get to know the University, your programme of study, others on your course and the staff who will be teaching you. It is envisaged that these activities will take the form of face-to-face and virtual sessions.

Every new student is allocated a Personal Tutor who will support you throughout your Cardiff Metropolitan journey. Providing high quality support to you is important to us and you will meet your personal tutor during Induction Week. If you would prefer a Welsh speaking Personal Tutor please let me know before you arrive so I can arrange this for you. Staff from student services will also be available to give you advice on a range of issues.

We also have a range of exciting opportunities available for you during your studies, including: Work Placements, Study Abroad, Societies, Language clubs and Volunteering. There will also be opportunities on your course to gain additional qualifications, for example, Forest School Practitioner. We also have several sports teams waiting for you to join them. You can get information about these opportunities during Freshers Fayre on Wednesday 30th September.

Please make sure you enrol online here www.cardiffmet.ac.uk/Enrolment BEFORE you come to the university on the 28th.

I very much look forward to meeting you on Monday 28th September at Cyncoed Campus at 9:00am in Room C020 on the Cyncoed campus. If you are unable to attend the face-to-face sessions on Monday, please contact me on khodgkin@cardiffmet.ac.uk.

Dr. Kieran Hodgkin
Senior Lecturer in Education Studies
Programme Director BA (Hons) Primary Education Studies
