1. Welcome from your Teaching Team

We're delighted that you are going to join us in September as part of the Housing Studies programme. Our course is part of the School of Education and Social Policy.

Cardiff Metropolitan University has a long history of providing housing studies education and qualifications at both undergraduate and post qualifying levels, all of which are professionally accredited by the Chartered Institute of Housing. The Programme is delivered and managed by housing academics with a wealth of policy and practice experience; alongside local authority, housing association and third sector partners, all with the overall aim of enriching and enhancing the experience that you have with us as a student. As a teaching team we very much hope that you enjoy your time with us, taking the opportunity to develop lifelong connections with peers on the programme and embracing opportunities that are available to you to develop academically, personally and professionally.

In this short introduction pack we've included details of the Pre-enrolment Conditions, Pre-Entry Summer Tasks, Enrolment, Induction Week, and draft timetables/typical attendance. We hope you find it useful.

Your time as a student on the Housing Studies programme is very important to us as a teaching team, so should you have any queries about the programme, please contact any of us by email and we'll be happy to help.

2. Pre-enrolment Conditions

Before enrolling on the programme all students must have completed the Enhanced DBS process:

DBS CHECK

The Disclosure and Barring service is a Government organisation which helps to prevent unsuitable people from working with children and vulnerable adults.

All prospective students will obtain an Enhanced Disclosure through the Disclosure and Barring Service (DBS), prior to enrolment on the programme. Where a problem is identified the results of the disclosure will be referred to a panel for consideration and the prospective student advised accordingly. Students applying for the programme, where Britain is not their country of origin, must provide this information through a comparable source from their home country prior to enrolment.

DBS Update Service

It is recommended that applicants register with the Update Service, so the disclosure can remain up to date for the duration of studies and may cover placements, if undertaken. Some placement providers may also not accept your current DBS certificate through Cardiff Metropolitan University unless you have signed up to the Update Service.

The Update Service allows individuals to apply to have their criminal record check kept up to date and employers to check that the information is current and valid, if they choose to do so. Individuals can apply for the Update Service at the same time as the DBS application, or up to 30 days after the issue of the DBS Certificate.

Further information on DBS and how to complete the process online can be obtained by following this link: www.cardiffmet.ac.uk/dbs

3. Pre-Entry Summer Tasks

Good homes should be at the heart of the post-Covid plan. Read the discussion paper ***Putting good homes at the core of the post-Covid recovery plan.***

<https://sheltercymru.org.uk/wp-content/uploads/2020/06/XPHG-covid-discussion-paper.pdf>

This has been written by Homes for All Cymru as evidence for Welsh Government.

Think about the questions below and we will discuss during a session during Induction Week:

What has Covid-19 shown us about the importance of a good home? Think about:

1. **public health**
2. **physical & mental well-being**
3. **the ability to work from home & home school children the ability of children & young people to learn, develop, socialise and connect with others**

4. Enrolment / Student MetCard Collection

Enrolment is an important process which confirms your status as a Student.

You can complete the online self-enrolment process from any computer through our Self Service system. Please note that in order to self-enrol; your status must be Unconditional Firm (UF) and your Enhanced DBS check cleared and verified by Admissions.

You will receive an email notifying you when you are eligible to enrol online. The email will direct you to a password reset facility in order to request a password to be able to login and complete the enrolment process. For information and guidance on this process please make sure you visit our enrolment page – www.cardiffmet.ac.uk/enrolment.

This process is essential in that it will allow you access to your student loan (if applied for), payment of fees, Cardiff Met's IT systems and importantly enable you to obtain your Student MetCard.

You will also receive your Programme Handbook during your Induction Week. The Programme Handbook is a vital manual through the Programme and should be retained for usage throughout your course of study. Each academic year, additional information relating to that level will be provided. The Handbook offers guidance on Rules, Regulations and Procedures; and guidance on learning for practice with information on all modules to be undertaken and reading lists.
