1. Welcome from your Teaching Team

Congratulations on successfully securing a place to study at Cardiff Metropolitan University We would like to extend a warm welcome to you as you begin your creative journey at Cardiff School of Art & Design and the BA (Hons) Textiles programme.

Textiles at Cardiff School of Art & Design will enable you to explore the decorative and tactile world that we inhabit – from fashion to wallpaper; and furnishing to gift-wrap. Through colour, texture and pattern, you will explore innovative and colourful ways to stamp your personalities on the world. From illustrated surface pattern to fabric manipulation, you will explore hand-crafted techniques, combined with a strong arsenal of digital and technical skills. As designers and artists of the future you will carve out your unique position in the world-wide creative community of Textiles and open the door to your future career.

We have organised a programme of activities during Induction Week from Monday 28 September. These activities are designed to help you get to know other students and the staff team on the course and to help familiarise yourself with our university practices and procedures. This will help to prepare you for your academic studies which begin in earnest with a full timetable of lectures, seminars, tutorials and assignments the following week from Monday 5 October.

If you have any queries, please don't hesitate to contact us on the numbers below, or via the Programme Administrators on 029 2041 6394. On behalf of all the Textiles team, I wish you an enjoyable and productive summer vacation and look forward to meeting you in October.

Best wishes

Sian Thomas

2. Pre-Entry Summer Tasks

Summer Task

Inspiring Designers, Illustrators and Artists Collection

Collecting is a rewarding approach to visual research and a fantastic way to start thinking about yourself as an artist or designer. Start thinking about artists and designers who inspire you. Collect 20 images and place them in a small box. Do you start to see a theme emerge? Are you drawn to similar styles? And what is it about those styles that connect them? Is it colour, pattern, texture, shape, or form? Edit your box as you go. But make sure you don't go over more than 20 images. **We will be using these images when you arrive. So keep them safe.**

You will receive an email notifying you when you are eligible to enrol online. The email will direct you to a password reset facility in order to request a password to be able to login and complete the enrolment process. For information and guidance on this process please make sure you visit our enrolment page – www.cardiffmet.ac.uk/enrolment.

This process is essential in that it will allow you access to your student loan (if applied for), payment of fees, Cardiff Met's IT systems and importantly enable you to obtain your Student MetCard.

You will also receive your Programme Handbook during your Induction Week. The Programme Handbook is a vital manual through the Programme and should be retained for usage throughout your course of study. Each academic year, additional information relating to that level will be provided. The Handbook offers guidance on Rules, Regulations and Procedures; and guidance on learning for practice with information on all modules to be undertaken and reading lists.

Please make sure you check these to make sure you are aware of any additional costs associated with your course.

Details about fees for international students (from outside the EU) can be found [here](#). You should already be aware of these costs.

4. Induction Week

Induction for all students within the School of Art and Design will commence on Monday 28th September 2020. Your first term as a new student starts with Induction Week, where you will settle into your accommodation, course and student life. Your Induction Week timetable is a schedule of events designed to familiarise you with Cardiff Met, its facilities and your fellow students. You will be given the chance to attend a range of events covering your programme, library services, IT, student services and Students Union. You will also meet, and have a number of sessions, with your personal tutor to make your academic transition as smooth as possible.

In line with the programme delivery information below, the Induction week will include activities that are both synchronous (delivered at a scheduled time and led by a member of staff) and asynchronous (activities designed and set by a member of staff but completed in your own time). These activities will largely happen in online/ virtual environment spread throughout the induction week; however, we are also planning activities to run on-campus where government restrictions allow.

Your events and confirmed timetable are currently being finalised and will be uploaded as a separate document on our [New Students](#) pages for you.

5. Draft Timetable / Typical Attendance

You will typically be required to attend taught sessions on a Monday, Tuesday, and Thursday throughout the academic year. This may include lectures, seminars, workshops, and tutorials.

Wednesdays and Fridays are available for independent study although there may be some workshops and inductions scheduled on these days at certain times throughout the year

	Monday	Tuesday	Wednesday	Thursday	Friday
AM	Taught Sessions	Taught Sessions		Taught Sessions	
PM	Taught Sessions	Taught Sessions		Taught Sessions	

We expect you to attend all scheduled taught sessions and workshops, to plan your work, organise your own time and meet submission deadlines.

We understand that you may need to support your studies by taking-up paid employment. However, notwithstanding your financial position or the demands of your employer, we are concerned that you dedicate sufficient time to your studies. Any part-time employment commitments or additional opportunities must be arranged around the timetable for the year.

In order to meet the expectations of your degree programme in Cardiff School of Art & Design, you are expected to dedicate around 40 hours per week to your studies. It is recommended that you do not engage in any part-time employment commitments or additional opportunities that would prevent you from dedicating this amount of time to your studies, as this may impact negatively upon your academic standing.

On average, twenty of these 40 hours will be included in timetabled lectures, seminars, tutorials, studio or workshop sessions. You will be expected to contribute the remaining 20 hours to independent study outside those timetabled sessions.
