Introduction

Welcome to Cardiff Metropolitan University

Congratulations on starting your Cardiff Met Journey! We have put together a series of activities and events to help you get to know Cardiff Met, connect with your programme of study, and meet staff and other students.

Welcome Week provides you with the opportunity to settle into Cardiff Met and to get involved with your programme of study right from the start. During Welcome Week you will be involved in a group project which will provide you with a taste of what you can expect during your studies at Cardiff Met. You will also be able to:

1. Meet your Personal Tutor, Programme Director, and fellow students.
2. Attend social activities and events on campus.
3. Work on a group project and present findings back to programme team.
4. Get to know the Cardiff Met campuses and surrounding areas.
5. Find out what services we have available to support you on your Cardiff Met journey.

When you turn up for your first day you will meet your Personal Tutor who will provide academic support and guidance during your time of study at Cardiff Met. They will also give you your Cardiff Met student card - as long as you've uploaded your photograph!

Please make sure that you attend the activities planned by your programme during Welcome Week, so you are prepared to start your Cardiff Met journey.

Finally, I hope you enjoy your time studying at Cardiff Met and I look forward to meeting you during Welcome Week.

Yours sincerely,
Dr Surraya Rowe
Programme Director

Essential Information

Programme Details

Your course is BSc Banking and Finance. During semester 1 you will study modules in Management Accounting, Global Financial Services and Microeconomics. You will meet your module leaders during welcome week. You will also meet your personal tutor and programme director. We will be talking to you both formally and informally during welcome week and we will be working on a project together. You will also be able to talk one-to-one with your personal tutor to discuss any concerns you may have about starting your studies.

Part-Time Students

Whilst full-time students should participate in everything, we recognise you may not be able to do everything because of other commitments, and we understand this.

Talk with your Personal Tutor about which activities will be most valuable for you. You will be welcome to join in all events during the week, as and when you can. Do, though, ensure that you have registered, and completed the required paperwork before attending any events.

International Students

We understand that for international students coming to the UK, adjusting to a new culture; finding somewhere suitable to live and following new processes and procedures can be quite overwhelming. The Global Student Advisory Service is available to offer friendly advice and support to all international students in relation to welfare concerns, academic skills, and immigration matters. For more information about the services available, access the links below:

Welcome Week

What to expect

During the week you will complete a project, which you will undertake with a group of other new students from your programme, supported by staff and current students who are on your programme. There will also be lots of help from the other university services, showing some great tools and techniques you can use to make your project a success.

At the end of the week, we will also give you some feedback on the strengths of your group's approach, sharing and celebrating what we have discovered together.

There will be an introduction to your new School and Programme and lots of fun activities to help you meet new people.

You will need to complete a bit of administration and check-in with your programme, so we know who is doing what, and when. You will also need to complete any outstanding enrolment matters, pick up Students' Union cards, and touch base with any specialised support services that you need.

Here's what Cardiff Met students enjoyed about Welcome Week

"Helped me settle in and took the pressure off travelling to a new place"

"The group projects to find out about our peers was a nice way of getting to know everyone"

"Helpful to chat informally to the Programme Director and chat about random things to help settle in".

Programme Activities and Projects

During welcome week you will meet your personal tutor, your programme director, and other staff involved in your course. We will work through an activity together and you will be encouraged to work in a small group with other students. You will be introduced to our careers adviser. We will make sure that by the end of welcome week, you have all the information you need to start your first week of lectures.

Social Activities

During welcome week, you will have lots of opportunities to talk to other students in your cohort.

Freshers' Fayre

The Freshers' Fayre, organised by the [Students' Union](#), is your first chance to meet all our [SU Societies](#), [SU Sports Teams](#) and of course a chance to grab all manner of freebies from our commercial partners! The fayre is an all-day event taking place on Wednesday within NIAC on the Cyncoed campus! It is one of the highlights of the Freshers calendar and one of the only times during your university journey that every student from all Cardiff Met schools will be in the same place!

Head over to the [Cardiff Met Students' Union website](#) for up-to-date information on events, societies, support and more.

Welcome Week Activities (Foundation and Undergraduate)

During Welcome Week you will have the opportunity to:

- Attend a welcome meeting with your Programme Director and meet the team, where they will provide an introduction and outline expectations.
- Meet other students on your programme of study.
- Meet your Personal Tutor.
