# Introduction

## Welcome to Cardiff Metropolitan University

Congratulations on starting your Cardiff Met Journey! We have put together a series of activities and events to help you get to know Cardiff Met, connect with your programme of study, and meet staff and other students.

Welcome Week provides you with the opportunity to settle into Cardiff Met and to get involved with your programme of study right from the start. During Welcome Week you will be involved in a group project which will provide you with a taste of what you can expect during your studies at Cardiff Met. You will also be able to:

1. Meet your Personal Tutor, Programme Director, and fellow students.
2. Attend social activities and events on campus.
3. Work on a group project and present findings back to programme team.
4. Get to know the Cardiff Met campuses and surrounding areas.
5. Find out what services we have available to support you on your Cardiff Met journey.

When you turn up for your first day you will meet your Personal Tutor who will provide academic support and guidance during your time of study at Cardiff Met. They will also give you your Cardiff Met student card - as long as you've uploaded your photograph!

Please make sure that you attend the activities planned by your programme during Welcome Week, so you are prepared to start your Cardiff Met journey.

Finally, I hope you enjoy your time studying at Cardiff Met and I look forward to meeting you during Welcome Week.

Yours sincerely,  
Chet Geisel  
Programme Director

# Essential Information

## Programme Details

The staff at the Centre for Dental Technology extend a very warm welcome to our new students. Experience shows that students generally feel quickly at home with us so there is every reason to expect that you will soon settle down to an enjoyable and fulfilling period of study. During your time on the course, you will experience several teaching and learning methods, through the medium of live synchronous delivery, by way of Microsoft Teams online teaching facility, and Blended online learning resources through our “Moodle” Virtual Learning Environment. Within MS Teams you will be able to interact with colleagues and tutors just as you might expect to be able to in a traditional classroom. Within Moodle, you can interact with and download various forms of media-based resources. Engagement with all resources and tutors is highly encouraged, as it is this that forms the basis of your personal learning experience.

The programme has a clear and important link with mentors and laboratories. Students are expected to be provided the opportunity to gain experience of producing items for patients undergoing treatment. The work-based mentor and/or manager will be expected to manage and assist the student’s work and learning resources.

## Part-Time Students

Whilst full-time students should participate in everything, we recognise you may not be able to do everything because of other commitments, and we understand this.

Talk with your Personal Tutor about which activities will be most valuable for you. You will be welcome to join in all events during the week, as and when you can. Do, though, ensure that you have registered, and completed the required paperwork before attending any events.

## International Students

We understand that for international students coming to the UK, adjusting to a new culture; finding somewhere suitable to live and following new processes and procedures can be quite overwhelming. The Global Student Advisory Service is available to offer friendly advice and support to all international students in relation to welfare concerns, academic skills, and immigration matters. For more information about the services available, access the links below:

### Global Student Advisory Contacts

Welfare advice – [intstudentadvice@cardiffmet.ac.uk](mailto:intstudentadvice@cardiffmet.ac.uk)

It is also important that you attend the activities planned for your course during Welcome Week, so you get to meet your Programme Directors, Tutors, and the rest of your cohort. This will help you to settle into your new environment and make new friends.

# Welcome Week

## What to expect

There will be an introduction to your new School and Programme and lots of fun activities to help you meet new people.

You will need to complete a bit of administration and check-in with your programme, so we know who is doing what, and when. You will also need to complete any outstanding enrolment matters, pick up Students' Union cards, and touch base with any specialised support services that you need.

## Here's what Cardiff Met students enjoyed about Welcome Week

*"Helped me settle in and took the pressure off travelling to a new place"*

*"The group projects to find out about our peers was a nice way of getting to know everyone"*

*"Helpful to chat informally to the Programme Director and chat about random things to help settle in".*

## Programme Activities and Project

During Welcome Week you will have the opportunity to complete a small project to help you transition into Higher Education and introduce you to your programme. The programme team will share the project brief with you at the start of the week and guide you through the process. You will share the project to staff and other students at the end of the week.

## Welcome Week Activities (Foundation and Undergraduate)

During Welcome Week you will have the opportunity to:

- Attend a welcome meeting with your Programme Director and meet the team, where they will provide an introduction and outline expectations.
- Meet other students on your programme of study.
- Meet your Personal Tutor.
- Take part in a welcome week project with other students on your programme of study and present the findings from your project to staff and peers.
- Familiarise yourself with the campus.
- Explore what services are available to support you on your learner journey.
- Attend Fresher's Fayre on Wednesday.
- Attend a programme Meet & Greet Inspirational Session.
- Familiarise yourself with the digital tools you will be expected to use during your studies.
- Take part in a 'wrap up' session, reflect on the week and make sure you know what your timetable is looking like for the first week of teaching.
- Attend the Cardiff Met celebration event on Friday afternoon.

Please note you will find a detailed timetable for your programme of study on the Welcome Week site.

## Personal Welcome Week Checklist

During Welcome Week you need to make sure that you have:

- Completed the enrolment process.
- Collected your student ID card.
- Attended programme activity sessions.
- Attended some social events on campus/online.
- Attended Fresher's Fayre
- Met with your Personal Tutor
- Familiarised yourself with the library and any support services you might need e.g.  
Dyslexia or Disability help

# Useful Information

## New Students Information

The [Course Joining Information website](#) has lots of useful information to help with your planning. Simply select your level of entry on the website to find out more and access your important joining information.

## Student Services

[Student Services](#) provide support and guidance, including mental health, disability support, careers advice, information on part-time jobs and money management.

## SU Welcome Guide

An interactive guide to help you navigate your journey into and throughout your university life. Take the tour and enjoy each section designed to help you get to know Cardiff Met.

## Key

- |                              |                                  |                           |
|------------------------------|----------------------------------|---------------------------|
| 1 The Hub                    | 8 IT Help Desk (First Floor)     | P Parking                 |
| 2 Cym (First Floor)          | 9 The Global Lounge              | 🚲 Electric Bikes          |
| 3 Podiatry Clinic            | 10 Students' Union (First Floor) | 🚲 OVO Bikes               |
| 4 Main Reception & i-Zone    | 11 Learning Centre               | 🚲 Bike Rack               |
| 5 The Gallery (First Floor)  | ● Building letter                | 🚰 Bus Stop                |
| 6 The Box Café (First Floor) | ● Building Main Entrance         | ☕ Café                    |
| 7 The Atrium                 |                                  | 🕌 Multi-faith prayer room |

All our rooms use the same naming formula – *Building Floor . Room Number*. So if you're looking for 01.18, go to building O, climb to the first floor, and find room number 18. Or for B0.10 go to building B, stay on the ground floor and look for room 10. In the naming formula, 'LL' refers to Llandaff.
