Assessment Details

Project title	Abr.	Weighting
Pattern Spotting!	N/A	N/A

Context:

Pattern can be found everywhere in our daily lives. From manmade structures to organic, natural spaces,

Brief:

During the summer break, prepare yourself 20x A6 pieces of paper. You can cut sheets of A4 paper into quarters to create a small stack of sheets or use a small book. Whilst you're out and about, take a moment to go pattern-spotting. They can be as quick, abstract, or as intricate as you wish – look for spots, stripes, dashes or zigzags!

Draw with a mixture of 1 or more media, such as oil pastel, ink, fine-liner pen, paint, crayon or pencil, in each drawing. You could even include other media such as collage or stitch if you wanted to. Complete one of your A6 sheets a day for 20 days. **Please bring these drawings with you when you arrive as they will be used in Welcome Week. Keep them safe!**

Some considerations:

- Drawings should be no smaller than 10 x 10cm
- The drawings can be on loose sheets or in a book
- Draw from observation if possible (real flowers, photography, objects)
- Incorporate other mark-making, collage and drawing into your studies if you wish
- You can use any materials you wish to draw with. Try and mix it up though!

Some sources of inspiration:

Designers: Diane Hill, Natalie Manima, Zandra Rhodes, Erdem, Timorous Beasties, Matthew Williamson, Helena Bajaj-Larsen, Althea McNish, Maija Isola, Peter Pilotto, Temperley London, House of Hackney, Etro, Sanderson.

Deliverables:

Your project submission must include the following:

1. 20 A6 drawings

And don't forget to include the following:

- Your name
- Your Course title: Textile Design
- Project Title and Date: Summer Project 2023
- **Bring the project with you for the start of Welcome Week on Monday 18th September**

If you need any help or advice on how to complete this task, please send an email to our school administration team stating the name of the course you are about to join and the questions you want to ask to the following email address: csadadmin@cardiffmet.ac.uk
