## IAFP Report

International Association for Food Protection

### Louisville KENTUCKY IAFP 2019 ANNUAL MEETING - JULY 21-24

#### IAFP 2019 was a winner!

A record-breaking attendance of more than 3,800 attendees from six continents took part in this year's Annual Meeting, held July 21–24 in Louisville, Kentucky. An extensive lineup included more than 1,000 presentations; special presentations from Ivan Parkin lecturer Dr. Barbara Chamberlin and John H. Silliker lecturer Dr. Robert Tauxe; and another standing-room-only audience for the U.S. Regulatory Update on Food Safety by Mr. Frank Yiannas and Dr. Mindy Brashears. Six Pre-Meeting Workshops covering a variety of topics were well-attended on July 19 and July 20. And this year's Exhibit Hall was packed with 187 companies – including 41 new exhibitors – who showcased equipment and the latest innovations in food safety. We extend our sincere thanks and appreciation to all who attended and to those who volunteered their time and expertise before and throughout **IAFP 2019** to help us "race to the finish line!"

IAFP received more than \$29,000 in donations through the IAFP Foundation Booth at this year's Annual Meeting. Fred Weber's generous "Weber Challenge"
