Botany	Exchange Mobility	Doctorate	01.4	The program in Plant Sciences Botany aims to teach the diversities in biology based on basic and functional plant biology. This interdisciplinary degree offers a broad range of topics and methodologies which provide a fundamental education in the areas of biotope and biodiversity Physiology and Cell Biology and Biotic Interactions. The content includes molecular biology ultrastructural analysis as well as ecosystem research. NAWI Graz is a unique cooperation between the University of Graz and Graz University of Technology where they offer joint teaching research and doctorate programmes in the field of the natural sciences. In NAWI Graz studies students have to make sure that they can take more than 50 percent of their courses at the University of Graz.	02/09/2014	10	ADDITIONAL DOCUMENTS TO BE UPLOADED Proof of enrollment signed and stamped by the home university confirming that the student is registered in an equivalent or similar study program at the level of the application Transcripts of records which list ECTS credits of all courses taken at the home university so far. Language certificate is not mandatory. Exchange students without knowledge of German need to have sufficient knowledge of English and need to list enough courses taught in English to fulfill the program requirements. However preference will be given to applicants with a German language certificate or English language certificate in case you are only attending courses held in English.	Christa Grassauer	erasmus.mundus@uni-graz.at	http://www.uni-graz.at/en/studying-for-prospective-students/study-opportunities/study-programmes-from-a-z/	Office of International Relations	German
Chemical and Pharmaceutical Engineering	Exchange Mobility	Doctorate	13.3	The programme Chemical and Pharmaceutical Engineering links the scientific disciplines of Chemistry and Pharmacy with the engineering discipline of Chemical and Process Engineering and thus represents a programme unique in the German speaking area. NAWI Graz is a unique cooperation between the University of Graz and Graz University of Technology where they offer joint teaching research and doctorate programmes in the field of the natural sciences. In NAWI Graz studies students have to make sure that they can take more than 50 percent of their courses at the University of Graz.	02/09/2014	10	ADDITIONAL DOCUMENTS TO BE UPLOADED Proof of enrollment signed and stamped by the home university confirming that the student is registered in an equivalent or similar study program at the level of the application Transcripts of records which list ECTS credits of all courses taken at the home university so far. Language certificate is not mandatory. Exchange students without knowledge of German need to have sufficient knowledge of English and need to list enough courses taught in English to fulfill the program requirements. However preference will be given to applicants with a German language certificate or English language certificate in case you are only attending courses held in English.	Christa Grassauer	erasmus.mundus@uni-graz.at	http://www.uni-graz.at/en/studying-for-prospective-students/study-opportunities/study-programmes-from-a-z/	Office of International Relations	German
Chemistry	Exchange Mobility	Doctorate	13.3	The aim of the programme is to acquaint students with the ability to carry out high quality structured research work and to develop innovative systems on a scientific basis in field of chemistry. NAWI Graz is a unique cooperation between the University of Graz and Graz University of Technology where they offer joint teaching research and doctorate programmes in the field of the natural sciences. In NAWI Graz studies students have to make sure that they can take more than 50 percent of their courses at the University of Graz.	02/09/2014	10	ADDITIONAL DOCUMENTS TO BE UPLOADED Proof of enrollment signed and stamped by the home university confirming that the student is registered in an equivalent or similar study program at the level of the application Transcripts of records which list ECTS credits of all courses taken at the home university so far. Language certificate is not mandatory. Exchange students without knowledge of German need to have sufficient knowledge of English and need to list enough courses taught in English to fulfill the program requirements. However preference will be given to applicants with a German language certificate or English language certificate in case you are only attending courses held in English.	Christa Grassauer	erasmus.mundus@uni-graz.at	http://www.uni-graz.at/en/studying-for-prospective-students/study-opportunities/study-programmes-from-a-z/	Office of International Relations	German
Classical Archaeology	Exchange Mobility	Doctorate	08.4		02/09/2014	10	ADDITIONAL DOCUMENTS TO BE UPLOADED Proof of enrollment signed and stamped by the home university confirming that the student is registered in an equivalent or similar study program at the level of the application Transcripts of records which list ECTS credits of all courses taken at the home university so far. Language certificate is not mandatory. Exchange students without knowledge of German need to have sufficient knowledge of English and need to list enough courses taught in English to fulfill the program requirements. Interdisciplinary Women's and Gender Studies	Degree Seeking	Master	16.9	The master degree imparts scientific founded knowledge about the topic Gender. It is an interdisciplinary practically orientated research driven study and as a result of this it equips students of different fields with this additional and post graduate qualification.	02/09/2014	22	ADDITIONAL DOCUMENTS TO BE UPLOADED: Proof of enrolment signed and stamped by the home university confirming that the student is registered in an equivalent or similar study program at the master level of the application. Diplomas of ALL previously completed university degrees like undergraduate or bachelor diploma. Transcripts of records which list ECTS credits of ALL previously completed degrees or courses of undergraduate and master studies. Language certificate C1 Preferably OSD certificate C1 Goetheinstitut certificate C1 TRANSLATIONS OF DOCUMENTS: Translations of documents: If original documents (certificates, transcripts, etc) are not in English or German, they must be accompanied by a translation into either English or German. Selected degree students will have to provide certified translations into German during the application process at the University of Graz. Finaly decision about admission is made by faculty - Additional admission requirements might be requested!	Christa Grassauer	erasmus.mundus@uni-graz.at	http://www.uni-graz.at/en/studying-for-prospective-students/study-opportunities/study-programmes-from-a-z/	Office of International Relations	German
Interpretation	Degree Seeking	Master	09.4	The program provides the fundamental academic knowledge and methods as well as practical skills in preparation for professional work as a translator interpreter or in other translation oriented fields of work. Combines the students mother tongue with German an one other language. Note that an application is only possible if the respective languages are taught at the University of Graz as a degree program.	02/09/2014	22	ADDITIONAL DOCUMENTS TO BE UPLOADED: Proof of enrolment signed and stamped by the home university confirming that the student is registered in an equivalent or similar study program at the master level of the application. Diplomas of ALL previously completed university degrees like undergraduate or bachelor diploma. Transcripts of records which list ECTS credits of ALL previously completed degrees or courses of undergraduate and master studies. Language certificate C1 Preferably OSD certificate C1 Goetheinstitut certificate C1 TRANSLATIONS OF DOCUMENTS: Translations of documents: If original documents (certificates, transcripts, etc) are not in English or German, they must be accompanied by a translation into either English or German. Selected degree students will have to provide certified translations into German during the application process at the University of Graz.
