Leadership Centre Grand Opening!

Mr AbouBakr Fathalla, Tempus Projects Manager, and Mr Bastian Baumann, Tempus Project External Expert, celebrated the opening of three leadership centres in Morocco. The first centre to be opened was in Cadi Ayyad University in Marrakesh. The grand opening was witnessed by Professor Abdellatif Miraoui, Cadi Ayyad University President, and Professor Abdelatif Komat, Vice President of Cadi Ayyad University, alongside members of the academic staff, including Dr Fatima Iflahen, and many other delegates.

The LSC will be the central point for all Tempus leadership activities in higher education in Cadi Ayyad and will serve the on-going activities, such as the Equal Opportunity Centre for professional women in higher education. It will also be a place where academic training will be available for current and potential leaders.

The second leadership centre was launched at the heart of Hassan II University, Casablanca. The delegates included, Professor Khaled Naciri, President of Hassan II University, Professor Abdelatif Komat, Vice President of Hassan II University, and Professor Mohamed Barkoui, Former President of Hassan II University, as well as a large number of delegates including Deans and Vice Deans of other schools and faculties.

Leadership Centre Grand Opening!

LHEM

The opening was followed by a presentation given by Mr Fathalla on the project activities and successes; the presentation included the dissemination and sustainability strategies which will enable the project outcomes to sustain in the region.

The final leadership centre was opened in Superior Institute for Science and Technology (SIST). It was witnessed by Professor Tariq Obaid, President of SIST, Dr Ahmed Khan, Director of Studies, and many academic staff and students.

The centre at SIST will be supporting all the future leadership training and also the equal opportunity activities at SIST.
