

Cardiff Metropolitan University (UK) and Global Opportunities bring you

GRAND CHALLENGES WEEK

MOBILE TECH FOR A CHANGING WORLD

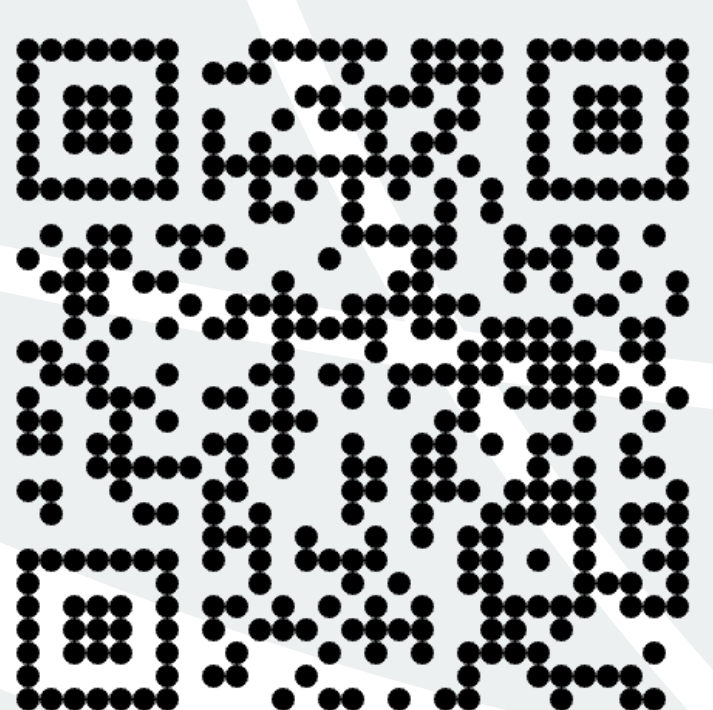

Virtual: 3rd and 4th April 2024

In Person: 8th - 12th April 2024

What you will be doing: You will be working in teams to develop innovative mobile apps to help ensure healthcare and education for everyone in a changing world. You will hear inspiring talks from computer science, healthcare and education experts. You will also get to experience the city of Cardiff, a fun and vibrant student city and the capital of Wales, UK.

Cost: £210

includes virtual and in-person activities, lunches and group activity
