

# INTERNATIONAL SUMMER SCHOOL

## International Business English

17TH JULY - 28TH JULY 2017

Join students from around the world at Cardiff Metropolitan University's International Summer School held at the Cardiff School of Education. You will study in Cardiff, a vibrant European capital city, discover new skills and learn new cultures.

The international Business English summer school provides in depth language study and practice at Intermediate level, using the course book Market Leader (published by Pearson Education). The course content will focus on spoken and written Business English and will provide students with authentic up-to-date language which they will encounter in a range of international business settings. The course combines current business theory, business in practice and business skills, and includes web support for activities. In addition to Market Leader, students will be introduced to the language of effective presentations, meetings and business negotiations.

**Apply now to avoid disappointment!**
