Introduction

Welcome to Cardiff Metropolitan University

Congratulations on starting your Cardiff Met Journey! We have put together a series of activities and events to help you get to know Cardiff Met, connect with your programme of study, and meet staff and other students.

Welcome Week provides you with the opportunity to settle into Cardiff Met and to get involved with your programme of study right from the start. During Welcome Week you will be involved in a group project which will provide you with a taste of what you can expect during your studies at Cardiff Met. You will also be able to:

1. Meet your Personal Tutor, Programme Director, and fellow students.
2. Attend social activities and events on campus.
3. Work on a group project and present findings back to programme team.
4. Get to know the Cardiff Met campuses and surrounding areas.
5. Find out what services we have available to support you on your Cardiff Met journey.

When you turn up for your first day you will meet your Personal Tutor who will provide academic support and guidance during your time of study at Cardiff Met. They will also give you your Cardiff Met student card - as long as you've uploaded your photograph!

Please make sure that you attend the activities planned by your programme during Welcome Week, so you are prepared to start your Cardiff Met journey.

Finally, I hope you enjoy your time studying at Cardiff Met and I look forward to meeting you during Welcome Week.

Yours sincerely,
Sian Sarwar
Programme Director

Essential Information

Programme Details

The BA Primary Education Studies degrees will give you a good understanding of fundamental issues in education across a range of contexts and environments. The course has a specific focus on the primary sector and will provide an ideal platform for those interested in careers in primary education. In addition, this degree supports those interested in working in the wider fields of education, health and social work.

Part-Time Students

Whilst full-time students should participate in everything, we recognise you may not be able to do everything because of other commitments, and we understand this.

Talk with your Personal Tutor about which activities will be most valuable for you. You will be welcome to join in all events during the week, as and when you can. Do, though, ensure that you have registered, and completed the required paperwork before attending any events.

International Students

We understand that for international students coming to the UK, adjusting to a new culture, finding somewhere suitable to live and following new processes and procedures can be quite overwhelming. The Global Student Advisory Service is available to offer friendly advice and support to all international students in relation to welfare concerns, academic skills, and immigration matters. For more information about the services available, access the links below:

[Global Student Advisory Support](#)

[Global Student Advisory Service International Welfare Advice](#)

Global Student Advisory Contacts

Welfare advice – intstudentadvice@cardiffmet.ac.uk

It is also important that you attend the activities planned for your course during Welcome Week, so you get to meet your Programme Director, Tutors, and the rest of your cohort. This will help you to settle into your new environment and make new friends.

Meet the Team

Hi, I'm Sian Sarwar and I'm the Programme Director for the BA (Hons) Primary Education Studies programme and Senior Lecturer in Early Years here at Cardiff Met.

Hi, I'm Dr Nick Young and I'm a Senior Lecturer in Education here at Cardiff Met . I'm also Year Tutor for Year 1

Hi, I'm Dr Dylan Adams and I'm a Senior Lecturer in Education here at Cardiff Met.

Hi, I'm Dr Jen Lyttleton-Smith and I'm a Lecturer in Education here at Cardiff Met. I'm also the Year Tutor for Year 2.

Hi, I'm Paul Brooks and I'm a Senior Lecturer in Education here at Cardiff Met. I'm also the Year Tutor for Year 3.

Hi, I'm Dr Kieran Hodgkin and I'm a Senior Lecturer in Education and Strategic Lead for Student Experience and Sustainability here at Cardiff Met.

Hi, I'm Dyddgu Hywel and I'm a Senior Lecturer in Education and Welsh Medium Strategic Lead at Cardiff Met.

Welcome Week

What to expect

During the week you will complete a project, which you will undertake as part of a group made up of other new students from your programme. As you work on your project, you will be supported by staff and current students who are on your programme. There will also be lots of help from the other university services, showing some great tools and techniques you can use to make your project a success.

At the end of the week, we will also give you some feedback as part of an informal, café-style workshop during which everyone will share and celebrate what we have learned during the course of the week.

There will be an introduction to your new School and Programme and lots of fun activities to help you meet new people.

You will need to complete a bit of administration and check-in with your programme, so we know who is doing what, and when. You will also need to complete any outstanding enrolment matters, pick up Students' Union cards, and touch base with any specialised support services that you need.

Here's what Cardiff Met students enjoyed about Welcome Week

"Helped me settle in and took the pressure off travelling to a new place"

"The group projects to find out about our peers was a nice way of getting to know everyone"

"Helpful to chat informally to the Programme Director and chat about random things to help settle in".

Programme Activities and Project

The main aim of Welcome Week is for you to meet staff and other students on your programme, learn your way around campus and find out about opportunities you can get involved in alongside your studies. To help with this, there will be a range of activities which include:

- **Welcome Talk** when you'll be introduced to staff on the programme and find out the details for the group project.
- **Personal Tutor Group Session** when you'll meet your Personal Tutor and have a chat with other students on the programme.
- **Programme Session** when you'll learn about how to access information and resources and find out about opportunities on offer within and alongside your studies.
- **Orientation Activities** which will involve a range of hands-on activities around campus intended to support you as you work on your project whilst also giving you opportunities to get to know staff and other students on the programme.

The main aim of the Welcome Week Project is to give you an opportunity to get to know and work with other students on the programme whilst also introducing you to the various ways of working you'll experience at university, including access to support from staff and resources available to you at Cardiff Met. The basis of the project will be a case study shared with you during the Welcome Talk after which you'll experience a range of hands-on/interactive activities (e.g., working with clay, gardening, a walk in the locality, yoga, Forest School activities) which will inform discussions and progress in your group project. You'll be able to choose the format for your project (e.g., digital story, PowerPoint presentation, poster presentation, pitch, or creation of artefact). At the end of the week, there will be a celebration of your work, taking place within an informal café-style workshop during which you'll share your work with a member of staff and small groups of other students from your programme. At the end of the week, staff will provide feedback and signpost you to support and opportunities available as part of the programme and more widely within Cardiff Met.

Freshers' Fayre

The Freshers' Fayre, organised by the [Students' Union](#), is your first chance to meet all our [SU Societies \(including the PES Society!\)](#), [SU Sports Teams](#) and of course a chance to grab all manner of freebies from our commercial partners! The fayre is an all-day event taking place on Wednesday within NIAC on the Cyncoed campus! It is one of the highlights of the Freshers calendar and one of the only times during your university journey that every student from all Cardiff Met schools will be in the same place!

Head over to the [Cardiff Met Students' Union website](#) for up-to-date information on events, societies, support and more.

Welcome Week Activities (Foundation and Undergraduate)

During Welcome Week you will have the opportunity to:

- Attend a welcome meeting with your Programme Director and meet the team, where they will provide an introduction and outline expectations.
- Meet other students on your programme of study.
- Meet your Personal Tutor.
- Take part in a welcome week project with other students on your programme of study and present the findings from your project to staff and peers.
- Familiarise yourself with the campus.
- Explore what services are available to support you on your learner journey.
- Attend Fresher's Fayre on Wednesday.
- Attend a programme Meet & Greet Inspirational Session.
- Familiarise yourself with the digital tools you will be expected to use during your studies.
- Take part in a 'wrap up' session, reflect on the week and make sure you know what your timetable is looking like for the first week of teaching.
- Attend the Cardiff Met celebration event on Friday afternoon.

Please note you will find a detailed timetable for your programme of study on the Welcome Week site.

Personal Welcome Week Checklist

During Welcome Week you need to make sure that you have:

- Completed the enrolment process.
- Collected your student ID card.
- Attended programme activity sessions.
- Attended some social events on campus/online.
- Attended Fresher's Fayre
- Met with your Personal Tutor
- Familiarised yourself with the library and any support services you might need e.g.
Dyslexia or Disability help

Useful Information

New Students Information

The [Course Joining Information website](#) has lots of useful information to help with your planning. Simply select your level of entry on the website to find out more and access your important joining information.

Student Services

[Student Services](#) provide support and guidance, including mental health, disability support, careers advice, information on part-time jobs and money management.

SU Welcome Guide

An interactive guide to help you navigate your journey into and throughout your university life. Take the tour and enjoy each section designed to help you get to know Cardiff Met.

All our rooms use the same naming formula – *Building Floor . Room Number*. So if you're looking for 01.18, go to building O, climb to the first floor, and find room number 18. Or for B0.10 go to building B, stay on the ground floor and look for room 10. In the naming formula, 'CY' refers to Cyncoed.
