Introduction

Welcome to Cardiff Metropolitan University

Congratulations on starting your Cardiff Met Journey! We have put together a series of activities and events to help you get to know Cardiff Met, connect with your programme of study, and meet staff and other students.

Welcome Week provides you with the opportunity to settle into Cardiff Met and to get involved with your programme of study right from the start. During Welcome Week you will be involved in a group project which will provide you with a taste of what you can expect during your studies at Cardiff Met. You will also be able to:

1. Meet your Personal Tutor, Programme Director, and fellow students.
2. Attend social activities and events on campus.
3. Work on a group project and present findings back to programme team.
4. Get to know the Cardiff Met campuses and surrounding areas.
5. Find out what services we have available to support you on your Cardiff Met journey.

When you turn up for your first day you will meet your Personal Tutor who will provide academic support and guidance during your time of study at Cardiff Met. They will also give you your Cardiff Met student card - as long as you've uploaded your photograph!

Please make sure that you attend the activities planned by your programme during Welcome Week, so you are prepared to start your Cardiff Met journey.

Finally, I hope you enjoy your time studying at Cardiff Met and I look forward to meeting you during Welcome Week.

Yours sincerely,

Jo Aubrey, Programme Director

Essential Information

Programme Details

The course is professionally endorsed by Education Training Standards (ETS) Wales and recognised by the Joint Negotiating Committee (JNC) for Youth & Community Workers.

The course is designed for youth and community workers who wish to extend their understanding, skills and competence as informal educators and gain a nationally recognised professional qualification in youth and community work.

All our lectures are undertaken in small cohorts (usually no more than 35 students) and delivered by qualified staff who have significant experience in youth and community work. Students are on placement throughout the course in a wide variety of youth and community settings.

Youth and community workers play a central role in today's society, working in a wide range of formal and informal educational settings, supporting individuals' personal and social development and enabling them to realise their potential.

This course helps students to develop their critical faculties, giving them a deeper understanding of social inclusion, empowerment and the nature of society, allowing them to develop skills that will enable them to engage effectively in a key role in the community.

Part-Time Students

Whilst full-time students should participate in everything, we recognise you may not be able to do everything because of other commitments, and we understand this.

Talk with your Personal Tutor about which activities will be most valuable for you. You will be welcome to join in all events during the week, as and when you can. Do, though, ensure that you have registered, and completed the required paperwork before attending any events.

International Students

We understand that for international students coming to the UK, adjusting to a new culture; finding somewhere suitable to live and following new processes and procedures can be quite overwhelming. The Global Student Advisory Service is available to offer friendly advice and support to all international students in relation to welfare concerns, academic skills, and immigration matters. For more information about the services available, access the links below:

Welcome Week

What to expect

During the week you will complete a project, which you will undertake with a group of other new students from your programme, supported by staff and current students who are on your programme. There will also be lots of help from the other university services, showing some great tools and techniques you can use to make your project a success.

At the end of the week, we will also give you some feedback on the strengths of your group's approach, sharing and celebrating what we have discovered together.

There will be an introduction to your new School and Programme and lots of fun activities to help you meet new people.

You will need to complete a bit of administration and check-in with your programme, so we know who is doing what, and when. You will also need to complete any outstanding enrolment matters, pick up Students' Union cards, and touch base with any specialised support services that you need.

Here's what Cardiff Met students enjoyed about Welcome Week

"Helped me settle in and took the pressure off travelling to a new place"

"The group projects to find out about our peers was a nice way of getting to know everyone"

"Helpful to chat informally to the Programme Director and chat about random things to help settle in".

Programme Activities and Project

Youth & Community work courses prepare students for Professional practice as Youth Support Workers (Foundation Certificate) and Youth Workers (BA). Activities during Welcome Week include introductions to the course, programme team and campus; 'getting to know you' activities particularly with their Professional tutor and tutor group; campus treasure hunt, professional practice (Fieldwork) briefings, current student and graduate meet and greet sessions, introductory sessions to technical aspect of the course such as Moodle and Teams; and the Welcome Week project. The project is designed to include group work, research, use of appropriate software such as PowerPoint, and presentation skills.

The topic has been chosen to help support the students in their engagement with the campus resources and teams, transition into higher education. You will be introduced to Youth & Community and wider relevant subject literature and will start to get to know your fellow students and the teaching team to help build your confidence and some academic skills that will be used throughout your course with us.

Social Activities

The Freshers' Fayre, organised by the [Students' Union](#), is your first chance to meet to all our SU Societies, SU Sports Teams and of course a chance to grab all manner of freebies from our commercial partners! The fayre is an all-day event taking place on Wednesday 20/09/2023 within [NIAC on the Cyncoed campus](#)! It is one of the highlights of the Freshers calendar and one of the only times during your university journey that every student from all Cardiff Met schools will be in the same place!

Head over to the [Cardiff Met Students' Union website](#) for further up-to-date information on events, societies, support and more.

Welcome Week Activities (Foundation and Undergraduate)

During Welcome Week you will have the opportunity to:

- Attend a welcome meeting with your Programme Director and meet the team, where they will provide an introduction and outline expectations.
- Meet other students on your programme of study.
- Meet your Personal Tutor.
- Take part in a welcome week project with other students on your programme of study and present the findings from your project to staff and peers.
- Familiarise yourself with the campus.
- Explore what services are available to support you on your learner journey.
- Attend Fresher's Fayre on Wednesday.
- Attend a programme Meet & Greet Inspirational Session.
- Familiarise yourself with the digital tools you will be expected to use during your studies.
- Take part in a 'wrap up' session, reflect on the week and make sure you know what your timetable is looking like for the first week of teaching.
- Attend the Cardiff Met celebration event on Friday afternoon.

Please note you will find a detailed timetable for your programme of study on the Welcome Week site.

Personal Welcome Week Checklist

During Welcome Week you need to make sure that you have:

- Completed the enrolment process.
- Collected your student ID card.
- Attended programme activity sessions.
- Attended some social events on campus/online.
- Attended Fresher's Fayre
- Met with your Personal Tutor
- Familiarised yourself with the library and any support services you might need e.g.
Dyslexia or Disability help

All our rooms use the same naming formula – *Building Floor . Room Number*. So if you're looking for 01.18, go to building O, climb to the first floor, and find room number 18. Or for B0.10 go to building B, stay on the ground floor and look for room 10. In the naming formula, 'CY' refers to Cyncoed.
