Dear Direct Entry Student (Level 5),

### **Important Information for Induction Week 2018**

Congratulations on being accepted onto Level 5 (year two) of the BSc (Hons) Sport Coaching programme within the Cardiff School of Sport and Health Sciences at Cardiff Metropolitan University. This letter provides useful information about your course and additional details related to the Induction Programme for direct entry students.

**Induction week begins on Monday 17<sup>th</sup> September 2018.** There are many activities taking place during the week with full detail available via the [new student webpage](#). You specifically may wish to attend the Fresher's fayre on Wednesday 19<sup>th</sup> September in the National Indoor Athletics Centre (NIAC) on the Cyncoed campus. This will be an opportunity to meet with the Student Union and find out about the sport and social activities that are available as well as the Professional Services who are able to support your time at Cardiff Met.

As part of the induction process, **you should contact your Programme Director, Dr Andy Lane ([alane@cardiffmet.ac.uk](mailto:alane@cardiffmet.ac.uk)) to arrange a one-to-one meeting for Monday 17<sup>th</sup> September 2018.** This will be a valuable opportunity to discuss the programme, optional modules, and the specific plans for induction week. **Please contact your Programme Director no later than Monday 10<sup>th</sup> September 2018** to arrange this. You should also be aware that you will have a **meeting with your Year Tutor on Tuesday 18<sup>th</sup> September 2018 10:00-11:00 in C0.20 (LT1), Cyncoed campus.** There will also be a meeting with your personal tutor on Friday 21<sup>st</sup> Sept 2018, of which details will be provided during your Year Tutor meeting.

**With regard to enrolment,** you should not self-enrol as you will not have sufficient information to select your optional modules. Guidance on module selection will be provided by your Year Tutor during Induction week. If not already provided evidence of your entry qualifications, you should **bring a copy of your qualifications,** in the form of a certificate or transcript.

During induction week, you will be provided with up-to-date information related to the teaching timetable and other important issues related to your programme and year of study. The pathway map below will guide you on the modules available to your programme and these can be discussed in greater detail with your Year Tutor. For your information, please find below:

- a) Pathway Map below to provide an overview of your course structure.
- b) [Link to the Term dates and teaching weeks for 2018-19](#)
- c) A link to order Kit. Please click on this link to access the [Cardiff Met Online Shop](#) to order your kit. Please note that all School of Sport and Health Science students receive a standard "[kit pack](#)" for free and additional kit must be paid for. Further details are available via the link and all kit will be collected during Induction Week.

You should also take note of the enrolment requirements on the [new student webpage](#) and make sure that you bring the relevant documentation with you. If you have any enquiries regarding accommodation in Cardiff, please contact the Accommodation Service on Tel: 029 2041 6188/7013. The accommodation

office provides a comprehensive service in assisting students in securing accommodation and can provide details of local landlords and other students who wish to share accommodation.

I look forward to seeing you at the beginning of the academic year. If you have any queries in the meantime, please feel free to contact the School via [ccprogadmin@cardiffmet.ac.uk](mailto:ccprogadmin@cardiffmet.ac.uk) or telephone 02920 416185 / 6506 or look on the [new student webpage](#).

Kind Regards,

A handwritten signature in black ink that reads "Rmeyers". The signature is written in a cursive style with a large initial 'R'.

**Dr Rob Meyers,  
Undergraduate Programmes Co-ordinator,  
Cardiff School of Sport and Health Sciences**
